

## **Programme internationale tanzmesse nrw**

Pre-Day NRW, 30 August 2022

The Pre-Day NRW invites international visitors to get to know the diverse dance field in the region of North Rhine-Westphalia and to exchange ideas with its actors. Three different bus tours will take visitors to the cities of Essen, Cologne and Wuppertal. From archives and regional community work to outstanding houses of dance production and artists' initiatives, to residency and mentoring projects and, of course, studio visits of choreographers - the dance field of North Rhine-Westphalia provides an insight into its work. The offer is aimed at all those arriving early for Tanzmesse and wish to make first contacts in a smaller group. The day is rounded off with a joint dinner in Düsseldorf before the Tanzmesse begins the following day.
